Dear Mr. Fiksdal (I used the Plum St. address on Apr 6)

This morning on the radio news I heard that the comment time for the DEIS has been extended from April 17 until May 2, 2000. Thank you for your part in this extension of time.

I did not want the postcard which I mailed to you yesterday to be so untidy appearing. A "last minute" thought was to tell you that my father spent three years studying law at Valparaiso University. His diploma is mounted + framed + displayed in my home. His achievements and goals for his five children inspire me to speak as I did regarding Sumas Energy 2. He never did practice law - Teaching Commercial Law (among other high school subjects) was one way that he used his training.

Elaine Shields
