Re: Chehalis Generation Facility - Request for Transfer of SCA

Dear Chair Luce:

Chehalis Power Generating, LLC ("Chehalis Power") is the owner of the Chehalis Generation Facility. Chehalis Power's parent company, TNA Merchant Projects, Inc., has entered into a Purchase and Sale Agreement with PacifiCorp to sell Chehalis Power (including the Chehalis Generation Facility) to PacifiCorp. Pursuant to the transaction contemplated by the terms of the Agreement, which is expected to close later in 2008, PacifiCorp will acquire the equity interests in Chehalis Power. Upon closing, Chehalis Power will be merged into PacifiCorp and PacifiCorp will then directly own and operate the Chehalis Generation Facility.

We understand that PacifiCorp is submitting a request that EFSEC (1) approve the transfer of the Site Certification Agreement ("SCA") for the Chehalis Generation Facility from Chehalis Power to PacifiCorp pursuant to WAC 463-66-100 and (2) terminate the guaranty that was issued by TNA Merchant Projects to secure Chehalis Power's site restoration obligations under the SCA.

As required by WAC 463-66-100(3), Chehalis Power hereby consents to the transfer of the SCA, the transfer to become effective upon termination of the guaranty and closing of the transaction described above.

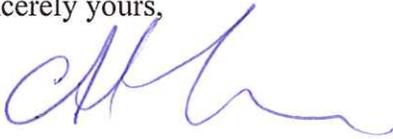

Chehalis Power also requests the Council to administratively amend Permit No. EFSEC/06-01 AOP under WAC 173-401-720(3) (adopted by reference at WAC 463-78-005) and AOP Condition G-4, to replace Chehalis Power with PacifiCorp as the permittee and facility owner as of the date of closing.

Chehalis Power further requests the Council to administratively revise No. EFSEC/95-02 Amendment 1 Notice of Construction and Prevention of Significant Deterioration Final Approval under WAC 173-400-750 to replace Chehalis Power with PacifiCorp as the permittee and facility owner as of the date of closing.
