ADDRESS: 9600 Easterbrook Rd Sumas

COMMENTS: I am a life long resident of Sumas 46 year and my family were homesteaders in 1878. I live a quarter of a mile from SEI. The power plant has been a great neighbor the last 8 years. I have no complaints from noise, pollution ect. I also own a R.V. Park & Campground at the same location for the past 16 years and never have had one complaint from any of my customers. 1

We need more jobs for the town a better tax base and also the need for more power in the future. So please support this plant we need it badly.

Thank You
Rod Fadden
