Allen Fiksdal,
Manager, EFSEC

Dear Mr. Fiksdal,

Shannon meaning Sha... honor of my father, H.A. Shannon who lived here from Nov. 15, 1935 until his sudden death Feb 6, 1939.

Thank you for smiling at me on April 4 after I handed you my speech. On April 3rd I had not prepared a written statement except for a brief outline. The recorder took notes while I spoke on April 3rd.

I had thought of writing on April 4th but there was not space enough on the paper and I did not know if it would be appropriate to say: "Who is responsible for choosing the April 17, 2000 deadline for written comments re the DEIS? Whoever that person is seems to be favoring National Energy Systems Co Pres. Darrell Jones' wishes for speed in the process rather than favoring the residents of Whatcom County & British Columbia." Sincerely, Elerine Shields
