OFFICE OF MAYOR CHUCK LOWE

November 20, 2003

To Whom It May Concern:

This letter will confirm the City of Kittitas' interest in providing water for temporary construction uses at the Wild Horse Wind Power Project proposed by Zilkha Renewable Energy. Zilkha currently estimates the water requirement at 4.2 million gallons over a nine-month period between September 2004 and June 2005. The City of Kittitas anticipates that it can accommodate these requirements. The water would be supplied from the City of Kittitas water tower or standby well at then-current rates set by the City.

Sincerely,

Chuck Lowe
Mayor
