Notice of Post-hearing Conference:

All parties please take notice that a Post-hearing Conference is hereby scheduled in this matter on Wednesday July 22, 2009, beginning at 11:00 a.m., in the 3rd Floor Conference Room, EFSEC Office, 905 Plum Street, Olympia, WA 98504.

The purpose of this conference, consistent with WAC 463-30-252, is to allow the Council to ask questions regarding the result of the stipulation of facts between the Applicant and Counsel for the Environment, to inquire about the terms of late-filed Exhibit No. 20, to ask the parties' positions on matters identified by members of the public as possible concerns, and to explore briefly other aspects of the record presented to the Council.

It is not anticipated that this conference will last more than one hour but the room is available in the event the conference is not completed by that time.

Counsel for the Applicant and Counsel for the Environment are asked to attend in person, and the Applicant is asked to have a witness available in the event facts not in the existing record may bear upon questions that are asked. Other counsel who are unable to attend the conference in person may no later than the close of business on Monday, July 20 2009, reserve a telecom port to attend by teleconference. Please call Ms. Talburt at 360-956-2122 to make the reservation.
