

BEFORE THE WASHINGTON STATE ENERGY
FACILITY SITE EVALUATION COUNCIL

In the Matter of Enforcement
of Certification Agreement
dated August 8, 1975 of the

WASHINGTON PUBLIC POWER
SUPPLY SYSTEM

WNP 1 and 4
.....

No. 76-EI

ORDER AUTHORIZING CONTESTED
CASE HEARING AND SPECIFYING
ISSUES, DATES AND FUNDING

The Energy Facility Site Evaluation Council, by previous Council order, has appointed Mr. Robert A. Felthous as Hearing Examiner for all matters relating to the above entitled proceeding.

The Hearing Examiner has subsequently provided recommendations to the Council regarding issues to be considered during the contested case hearing, estimated costs and a schedule for hearings.

ORDER

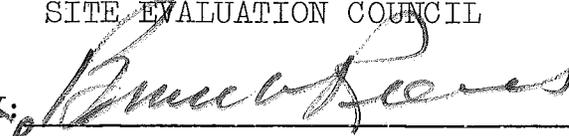

WHEREFORE, IT IS HEREBY ORDERED by the Energy Facility Site Evaluation Council that:

- 1) The Hearing Examiner be authorized and directed to convene the contested case hearing on the above referenced proceedings to consider the issues of:
 - a) whether the fish loss was caused by project construction and operation;
 - b) the extent of the fish loss;
 - c) should the above referenced fish loss be determined to have been caused by project construction and operation, then it shall be further determined what the Washington Public Power Supply System must do to provide replacement and/or compensation for such fish loss.

- 2) Such contested case hearing be convened not later than March 8, 1977 and shall be held on Tuesdays, Wednesdays and Thursdays until concluded or as recessed by the Hearing Examiner.
- 3) A settlement conference be required to be held at least two weeks in advance of the March 8, 1977 date for the beginning of the contested case hearing.
- 4) The maximum amount of funds allocated for this proceeding, including all costs of prehearing conferences, is \$19,000.
- 5) The Hearing Examiner shall develop a recommended procedure for conduct of the hearing for review with the Energy Facility Site Evaluation Council.

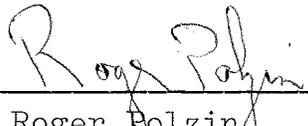

Done in open Council session and effective this 24th day of January 1977.
