THIS MATTER having come on regularly before the Energy Facility Site Evaluation Council at its regular meeting of October 22, 1979 upon petition by G. Tim Martin, Attorney for petitioner, for intervention in the proceedings relating to the application for site certification by the Trans Mountain Oil Pipe Line Corporation, the Council having heard argument pertaining to the merits of intervention by the Citizens Pipeline Task Force and the Council having duly voted to allow intervention by the Citizens Pipeline Task Force,

NOW, THEREFORE, BE IT HEREBY ORDERED By the Council that the Citizens Pipeline Task Force, a non-profit corporation of the State of Washington, is accorded status as intervenor in the proceeding relating to the application for site certification of the Trans Mountain Oil Pipe Line Corporation as it relates to the location of the pipeline in Island County, to the grading, excavating, clearing and landfilling on Whidbey and Camano Islands, to the projects impacts in and around natural, residential, rural, agricultural, recreational and historic areas and to the transportation of oil through ground formations in proximity to drainage areas, wetlands, and aquifers which are the sole source of domestic, household and irrigation water. Intervenors are given all rights of intervention according to Title 463 of the Washington Administrative Code.

Dated at Olympia, Washington and effective this 22nd day of October 1979.
