THIS MATTER having come on regularly before the Energy Facility Site Evaluation Council at its regular meeting of November 13, 1979 upon petition by Andrew W. Olsen, Assistant City Attorney, City of Bellingham, for intervention in the proceedings relating to the application for site certification by the Trans Mountain Oil Pipe Line Corporation, the Council having heard argument pertaining to the merits of intervention by the City of Bellingham and the Council having duly voted to allow intervention by the City of Bellingham,

NOW, THEREFORE, BE IT HEREBY ORDERED By the Council that the City of Bellingham, a municipal corporation in the State of Washington, is accorded status as intervenor in the proceedings relating to the application for site certification of the Trans Mountain Oil Pipe Line Corporation as it relates to the location of the pipe line in the City of Bellingham, to standards of construction to be used and to all other material factors directly affecting the interests of the citizens of the City of Bellingham. Intervenors are given all rights of intervention according to Title 463 of the Washington Administrative Code.

Dated at Olympia, Washington, and effective this 13th day of November, 1979.
