A Washington Corporation)	
.....))	

THIS MATTER Having come on regularly before the Energy Facility Site Evaluation Council at its regular meetings of April 13, 1981 and April 27, 1981 upon petition by the Colville Confederated Tribes, for intervention in the proceedings relating to the application for site certification by the Washington Water Power Company, the Council having heard argument pertaining to the merits of intervention by the Colville Confederated Tribes and the Council having duly voted to allow intervention by the Colville Confederated Tribes;

NOW, THEREFORE, BE IT HEREBY ORDERED By the Council that the Colville Confederated Tribes are accorded status as an intervenor in the proceeding relating to the application for site certification of the Washington Water Power Company Creston Generating Station as it relates to the effects of construction and operation of the proposed coal fired steam electric generating station as may impact the lands within the boundaries of the Colville Indian Reservation and to those special hunting and fishing rights located in the ceded north half of the reservation. Intervention is allowed on the following matters as they directly affect the interests of the Colville Confederated Tribes: air and water quality; agricultural, forestry and wildlife resources; human health; and cultural and socioeconomic considerations. This accordance of intervention binds the intervenor to accept the record of the case, to abide by all decisions rendered herein and to not unduly delay the proceeding or prejudice the rights of existing parties. Within the constraints cited above the intervenors are given all rights of intervention according to Title 463 of the Washington Administrative Code.

Dated at Olympia, Washington and effective this 27th day of April 1981.
