THIS MATTER Having come on regularly before the Energy Facility Site Evaluation Council at its regular meeting of May 11, 1981 upon petition by Norman D. Brock, City Attorney for the City of Davenport, for intervention in the proceedings relating to the application for site certification by the Washington Water Power Company, the Council having heard argument pertaining to the merits of intervention by the City of Davenport and the Council having duly voted to allow intervention by the City of Davenport;

NOW, THEREFORE, BE IT HEREBY ORDERED By the Council that the City of Davenport, a municipal corporation of the third class in the State of Washington, is accorded status as an intervenor in the proceedings relating to the application for site certification of the Washington Water Power Creston Generating Station, as it relates to those socioeconomic and environmental effects of construction and operation that may impact the City of Davenport. This accordance of intervention binds the intervenor to not unduly delay the proceeding or prejudice the rights of existing parties. Intervenors are given all rights of intervention according to Title 463 of the Washington Administrative Code.

Dated at Olympia, Washington and effective this 26th day of May 1981.
