THIS MATTER Having come on regularly before the Energy Facility Site Evaluation Council at its regular meeting of May 26, 1981 upon petition by the Makah Indian Tribe, for intervention in the proceedings relating to the application for site certification by the Trans Mountain Oil Pipe Line Corporation, the Council having heard argument pertaining to the merits of intervention by the Makah Indian Tribe and the Council having duly voted to allow intervention by the Makah Indian Tribe,

NOW, THEREFORE, BE IT HEREBY ORDERED By the Council that the Makah Indian Tribe is accorded status as an intervenor in the proceedings relating to the application for site certification of the Trans Mountain Oil Pipe Line Corporation as it relates to the effects of construction and operation of the project and shall include the environment of the reservation, tribal archaeological resources, tribal fishery and shellfish resources, tribal socioeconomic impacts and treaty rights. This accordance of intervention binds the intervenor to accept the record of the case, to abide by all decisions rendered herein and to not unduly delay the proceeding or prejudice the rights of existing parties. Within the constraints cited above the intervenors are given all rights of intervention according to Title 463 of the Washington Administrative Code.

Dated at Olympia, Washington and effective this 8th day of June 1981.
