THIS MATTER Having come on regularly before the Energy Facility Site Evaluation Council at its regular meeting of March 22, 1982 upon petition by Frank J. Owens, Attorney for the Construction Impact Group, for intervention in the proceedings relating to the application for site certification by Puget Sound Power & Light Company, the Council having heard argument pertaining to the merits of intervention by the Construction Impact Group and the Council having duly voted to allow intervention by the Construction Impact Group;

NOW, THEREFORE, BE IT HEREBY ORDERED By the Council that the Construction Impact Group, an association of public agencies and municipal corporations organized under the laws of the State of Washington, is accorded status as an intervenor in the proceeding relating to the application for site certification of the Puget Sound Power & Light Company Skagit/Hanford Nuclear Project as it relates to the effects of construction of the proposed nuclear project as may directly impact the following interests of the Construction Impact Group: Affects of population in and demand for services from each of the municipalities or districts referenced. This accordance of intervention binds the intervenor to accept the record of the case, to abide by all decisions rendered herein and to not unduly delay the proceeding or prejudice the rights of existing parties. Within the constraints cited above the intervenors are given all rights of intervention according to Title 463 of the Washington Administrative Code.

Dated at Olympia, Washington and effective this 22nd day of March 1982.
