

BEFORE THE STATE OF WASHINGTON
ENERGY FACILITY SITE EVALUATION COUNCIL

In the Matter of the)	
Application of)	
WASHINGTON WATER POWER CO.)	APPLICATION NO. 80-1
Creston Generating Station)	ORDER ON PREHEARING
A Washington Corporation)	CONFERENCE
.....))	

THESE MATTERS Having come on regularly before Patrick Biggs, Administrative Law Judge, for the Energy Facility Site Evaluation Council, at a prehearing conference held on October 23, 1981, which conference was held on the request of the applicant for a rebuttal phase, and which was attended by Mr. Jerry Boyd for the applicant and Mr. Robert Mack for the Department of Ecology, and where this matter was discussed and arguments of all sides were considered;

NOW, THEREFORE, the following orders were made:

1. The applicant will be allowed to present rebuttal testimony on new evidence and issues raised for the first time in prefiled testimony of those responding parties who filed testimony on October 13.
2. The applicant will file this rebuttal testimony on or about November 17, 1981, identifying its witness panels and providing, in question and answer form, the testimony to be presented.
3. The witnesses presented in rebuttal will be available for summary direct testimony and cross-examination commencing on Tuesday, December 8, 1981. It is anticipated that the rebuttal phase will conclude on Friday, December 11, 1981.

DATED at Olympia, Washington, and effective this 26th day of October 1981.

Patrick Biggs
Administrative Law Judge
