

Resolution No. 211

WHEREAS, Council Resolution No. 160 required the Washington Public Power Supply System to provide compensation in the amount of \$10,010 for the mitigation of fishery losses in streams on and adjacent to the WNP 3/5 site; and

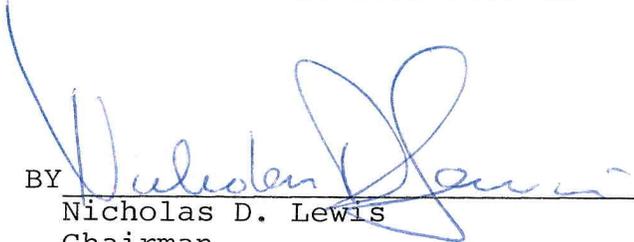

WHEREAS, By letter dated June 1, 1982, the Department of Fisheries notified the Council that they had completed the third year of fish (coho fry) restoration plants in Fuller, Workman and Elizabeth Creeks as specified in the resolution and requested that final payment be made to the department; and

WHEREAS, The Supply System by letter of August 18, 1982, supplied evidence to the Council that final payment had been remitted directly to the department, making total payments for fish losses and the transplanting of replacement fish in the damaged streams \$10,010;

NOW, THEREFORE, BE IT RESOLVED, That the Energy Facility Site Evaluation Council hereby finds and declares that the terms and conditions of Council Resolution No. 160 have been fully met and satisfied.

Dated this 23rd day of August, 1982.
