

RESOLUTION NO. 233

WHEREAS, The Energy Facility Site Evaluation Council has established an extensive list of resolutions directing, controlling, approving or closing out activities relating to construction, monitoring and environmental protection at the Washington Public Power Supply System's WNP-3/5; and

WHEREAS, Many of the actions addressed by the resolutions have been completed; and

WHEREAS, When the Council has satisfied itself that the purpose of a resolution has been served, that fact should be recognized by the formal action rescinding or closing out of such resolution; and

WHEREAS, The Council recognizes that it has already rescinded Council Resolutions 115, 119, 120, 124, 126, 128, 142, 144, 147, 148, 149, 150, 151, 153, 154, 158, 160, 162, 164, 167, 169, 170, 171, 172, 173, 177, 178, 179, 180, 182, 183, 185, 187, 188, 190, 195, 196, 199, 203, 204, 206, 207, and 212; and

WHEREAS, Following its review the Council recognizes that its concerns for the resolution requirements have been met for the following resolution numbers: 111, 116, and 222; and

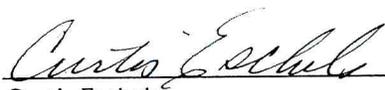

WHEREAS, The authorization granted by Resolution 213 is no longer necessary;

NOW, THEREFORE, BE IT RESOLVED, That because resolutions have been rescinded, satisfied, expired, or are otherwise inappropriate, the Council hereby declares them to be considered closed and no longer an active or working requirement or approval for the following resolution numbers: 111, 116, 213, and 222.

BE IT FURTHER RESOLVED, The copies of all resolutions hereby closed out shall be retained at the Council's office for historical purposes.

Dated this 9th day of June 1986.
