**NOTICE OF
ADDITIONAL PUBLIC MEETING**

August 10, 2010

Grays Harbor Energy Project – Request to Amend the Site Certification Agreement

LOCATION

**Grays Harbor County Administration Building
100 W. Broadway (Commissioners Meeting Room)
Montesano, Washington 98563**

Description of Proposal: Grays Harbor Energy LLC (the Certificate Holder) is proposing to rename the existing Satsop Combustion Turbine (CT) Project as the Grays Harbor Energy Center, and to increase the facility capacity by approximately 650 megawatts (MW) to a total of approximately 1,300 MW.

EFSEC issued a notice for public comment on July 1, 2010 announcing two public informational meetings on July 13th & 14th and a public hearing on the NPDES Permit on July 15th. EFSEC has decided to hold an additional public meeting on August 10, 2010 to allow the public another opportunity to submit comments on the proposed expansion. All agencies, affected Tribes, and members of the public are invited to submit written comments on the proposal. Interested persons or organizations may comment on alternatives, mitigation measures, probable significant adverse impacts, and licenses or other approvals that may be required.

**Notice of Additional Public Meeting to Accept Public Comment on Proposed Expansion: –
August 10, 2010, 6:30 PM:**

In addition to the previously scheduled public meetings on July 13-15, 2010, EFSEC will hold a meeting on August 10, 2010 to accept comments on any aspect of the proposed expansion. The public will be afforded an opportunity to present oral or written comments.
