ENERGY FACILITY SITE EVALUATION COUNCIL
PO Box 43172 • Olympia, Washington 98504-3172

PUBLIC NOTICE AND HEARING

On the

**PROPOSED NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM
(NPDES) PERMIT REISSUANCE**

For the

**GRAYS HARBOR ENERGY LLC
SATSOP COMBUSTION TURBINE POWER PROJECT**

Application for Reissuance

NOTICE is hereby given that the Washington State Energy Facility Site Evaluation Council (EFSEC or Council) has received an application from Grays Harbor Energy, LLC (Applicant), P.O. Box 26, Elma, Washington, 98583, for reissuance of NPDES Permit No. WA-002496-1, for the Satsop Combustion Turbine (CT) Power Project.

NPDES Permit WA-002496-1 is a wastewater discharge permit for the Satsop CT Power Project located at the Satsop Development Park, approximately 3 miles southwest of Elma, Washington. The Satsop CT Project is a 650 megawatt gas turbine power plant, located on 22 acres on the former Satsop Nuclear Power Plant site. The plant discharges to the Chehalis River at Outfall 001.

This notice is in accordance with the provisions of Chapter 80.50 and 90.48 of the Revised Code of Washington; Chapters 463 and 173 of the Washington Administrative Code; and the Federal Water Pollution Control Act as amended.

Tentative Determination to Reissue Permit

The EFSEC Manager has made a tentative determination to reissue the NPDES Permit, No. WA-002496-1, for the Satsop CT Power Project for a period of five years beginning from the date of final adoption, subject to appropriate changes or adjustments as may result from public comments, the public hearing record, or the U.S. Environmental Protection Agency (EPA) review. The tentative determination is based on a draft permit that sets forth the following: 1) proposed effluent limitations; 2) schedules of compliance; and 3) other terms and special

conditions. Details about this determination are contained in a fact sheet describing the permit conditions and any changes proposed for this facility.

Public Participation

The fact sheet and draft permit are available for review, and a public hearing will be held at a special Council meeting on April 16, 2008 to consider written and oral comments.

Copies of Fact Sheet and Draft Permit Available

Copies of the fact sheet and draft permit are on file in the Council Office, located at 905 Plum Street S.E., Olympia, Washington, and are available for inspection and copying by any interested member of the public. The draft permit and fact sheet may be viewed at the EFSEC website: <http://www.efsec.wa.gov/satsop.shtml>. Copies will also be mailed to persons or agencies upon request.

Comments Invited

The Council invites interested persons to submit written comments concerning the tentative determination to reissue the permit within thirty (30) days following the date of this notice. Written comments should be mailed to:

Energy Facility Site Evaluation Council
Attention: Jim La Spina
P.O. Box 43172
Olympia, WA 98504-3172

Comments may also be submitted by email at efsec@cted.wa.gov or by facsimile at (360) 956-2158.

All comments must be submitted by 5:00 p.m., Monday, April 28, 2008, to be considered for the final determination. The Council's response to all significant comments will be available upon request.

Public Hearing

NOTICE IS HEREBY GIVEN that a hearing in this matter will be held at 7 p.m., Wednesday, April 16, 2008, at the Montesano City Hall, 112 North Main Street, Montesano, WA. The hearing will be conducted in accordance with the Administrative Procedures Act, Chapter 34.05 Revised Code of Washington.

Council Action

After the close of the comment period and after the public hearing, the Council will consider all information available before making a decision on reissuing the permit. .

Washington State Energy Facility Site Evaluation Council
