Subject: Satsop Combustion Turbine Project - Final Approval Notice of Construction/Prevention of Significant Deterioration Permit No. EFSEC/2001-01 Amendment 2

Dear Interested Person;

You are receiving this letter for one of the following reasons:

- 1) you presented comments to the Energy Facility Site Evaluation Council (EFSEC or Council) in writing, or orally at the August 2, 2004 Public comment meeting held in Olympia, Washington , regarding the preliminary approval to amend the Satsop Combustion Turbine Project (Satsop CT) air emissions permit;
- 2) you are an interested tribal, local, state or federal agency representative with respect to this permit action;
- 3) you are on EFSEC's mailing list for the Satsop CT Project.

This letter is to notify you that on September 7, 2004, the Council approved Amendment 2 to the Satsop CT Notice of Construction/Prevention of Significant Deterioration (NOC/PSD) Permit No. EFSEC/2001-01. The final NOC/PSD permit was subsequently signed by authorized representatives of the U.S. Environmental Protection Agency Region 10.

The Council's final determination regarding this permit amendment consists of

- the final NOC/PSD Permit;
- comments received regarding the draft permit issued for public comment;
- a responsiveness summary which summarizes the comments received, responds to the comments, and indicates what approval conditions have changed from the preliminary determination.

For federal PSD purposes, and in accordance with section 40 Code of Federal Regulations (CFR) 124.15 and 124.19, this permit will become effective within 30 days after the date of this letter. Within 30 calendar days of this notice, any person who commented on the draft approval may petition the EPA Administrator, under 40 CFR 124.19, to review any condition of the decision. Any person who failed to file comments or failed to participate in the public hearing on the draft may petition for administrative review only to the extent of the changes from the draft to the final approved decision. If an appeal is made to the EPA Administrator, the effective date of the permit will be suspended until such time as the appeal is resolved.

Please do not hesitate to contact me at 360-956-2047 should you have any questions about this matter.

Sincerely,

Irina Makarow
Siting Manager
