8 ENERGY FACILITY SITE EVALUATION COUNCIL

9 In the matter of:

NO. 99-01

10 APPLICATION NO. 99-1

JOINDER IN MOTION FOR
RECONSIDERATION OF COUNCIL
ORDER NO. 757

11 SUMAS ENERGY 2 GENERATION
FACILITY

12 COMES NOW Constance Hoag who, pursuant to RCW 34.05.470, joins in
13 Whatcom County's Motion for Reconsideration of Council Order No. 757. As more
14 fully presented in Whatcom County's Memorandum of Law in Support of
15 Reconsideration of Order No. 757, I too respectfully request that the Council
16 reconsider its decision granting SE2 the opportunity to now file a revised or new
17 application in this matter and to reopen the adjudicative hearings herein on a limited
18 basis to review said application, and its decision to delay transmission of Council
19 Order No. 754 to the Governor. I agree with Whatcom County's position that there are
20 no extraordinary circumstances in this case that would warrant consideration of a
21 revised application contrary to the timelines designated by law.
22

23 FURTHERMORE, as per Whatcom County's request, I too request that the
24 Council reject any amendment to the existing application in this matter or the
25

1 submission of a new or revised application thereto and forthwith transmit Council
2 Order 754 to the Governor in accordance with RCW 80.50.100.
