Please write your comments on the Draft Supplemental Environmental Impact Statement and/or the Application for 401 Water Quality Certification below.

THE PROPOSED ACTION TO ADDRESS GREENHOUSE GAS CALLS FOR MITIGATING BY PAYING \$1 MILLION OVER 10 YRS. I AM ~~BE~~ VERY UPSET THAT EFSEC WOULD ALLOW WHAT I TERM AS A BUY OUT BY SUMAS ENERGY 2. THIS MONEY WILL NOT COME CLOSE TO PAYING THE ADDSD HEALTH COSTS THE ADDSD AIR POLLUTION WILL CAUSE. IF SUMAS ENERGY 2 WOULD SETUP A FUND TO PAY ALL ADDSD HEALTH ISSUES THIS PLANT WILL CAUSE, THEN I THINK THEN THEY HAVE MITIGATED THE ACCURE COST.

THANK YOU

Use the back of this form or attach additional pages if you need more room.

Please place this form in the Comment Box before leaving tonight, or mail it to the address below. Thank you.

To be considered, comments on the Draft SEIS and the Application for 401 Water Quality Certification must be received in the EFSEC office by 5 p.m., October 19, 2001.
