Subject: Vancouver Energy  
EFSEC Application No. 2013-01, Docket No. EF131590  
October 6 2016 Revised ASC

Dear Mr. Posner:

On 6 October 2016, Vancouver Energy submitted a Revised Application for Site Certification (ASC) to the Washington State Energy Facility Site Evaluation Council. On behalf of the Applicant, and in accordance with Washington Administrative Code (WAC) 463-60-055 (1), we are providing you the Revised ASC and new appendices to the ASC. This revision, submitted in compliance with WAC 463-60-116(2), was prepared at EFSEC staff's request and incorporates revisions and supplemental information into the ASC resulting from EFSEC's review of the ASC for compliance with the requirements contained in WAC 463-60 and WAC 463-62.

Please do not hesitate to contact me should you have any questions regarding this submittal at 206/431-2373, or [irina.makarow@abam.com](mailto:irina.makarow@abam.com).

Sincerely,

Irina Makarow  
Senior Environmental Project Manager
