Re: Vancouver Energy Project – Application No. 2013-01

Dear Mr. Posner,

In your letter dated June 8, 2015, you asked if Vancouver Energy would agree to a 60 day comment period for the Draft EIS. We do not think it necessary or appropriate to extend beyond the period prescribed by the State Legislature and the Department of Ecology's SEPA regulations. Therefore, Vancouver Energy does not agree to extend the DEIS comment period beyond the maximum 45 days permitted by law.

Sincerely,

Kelly J. Flint
