Subject: siting process for oil refinery in Vancouver

Categories: Comment, Blue Category

Please do not allow this pollution to happen to our city of Vancouver. I own a home on Lincoln Ave and Algona Dr. Both locations would experience devaluation of property to say nothing of toxic chemicals.

Thank you,
Kibbey Rock
32 B Algona Dr.
Vancouver, WA 98661

Kibbey Rock, Independent Consultant Arbonne Int. www.kibbeyrock.myarbonne.com. for great skincare that works.
