BEFORE THE STATE OF WASHINGTON
ENERGY FACILITY SITE EVALUATION COUNCIL

In the Matter of
Application No. 2009-01

of

WHISTLING RIDGE ENERGY
PROJECT LLC

for

WHISTLING RIDGE ENERGY
PROJECT

SAVE OUR SCENIC AREA'S
AND FRIENDS OF THE
COLUMBIA GORGE'S
SUPPLEMENTAL WITNESS
DISCLOSURE

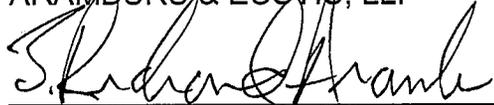

Intervenors Save Our Scenic Area (SOSA) and Friends of the Columbia Gorge (Friends) hereby submit this supplemental witness disclosure pursuant to Prehearing Order 13, Council Order No. 857.

SOSA and Friends previously notified the Council of their intent to call witnesses from government agencies with expertise in issues relevant to the adjudication. SOSA and Friends explained that, if necessary, Counsel of Record may subpoena witnesses to ensure their appearance. Accordingly, Prehearing Order 13 provided a procedure for issuing subpoenas and supplementing the party's previously submitted testimony. Council Order 13 stated: "If exhibit numbers have not been reserved for such witnesses, the parties' submitted testimony must be supplemented with the name or position of the proposed witness and likely exhibits within five days after the service date of this order."

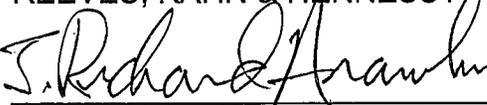

1 Friends and SOSA have confirmed that the National Park Service will be able
2 to provide a witness without the need for a subpoena. Friends and SOSA will be
3 supplementing their submitted testimony with testimony from Dan Wiley, Chief,
4 Lewis and Clark National Historic Trail. Exhibit number 25 will be assigned to Mr.
5 Wiley. Mr. Wiley's testimony may address the contents of the Department of
6 Interior's prior comments on the Whistling Ridge Energy Project (previously filed as
7 Exhibits 21.04 and 21.05), including the likely impacts of the project on significant
8 national resources such as the Lewis and Clark National Historic Trail and the
9 Columbia River Gorge National Scenic Area. Mr. Wiley's testimony will also
10 respond to comments from other witnesses. Additional exhibits that Mr. Wiley may
11 sponsor may include documents related to the Lewis and Clark National Historic
12 Trail; we will likely submit less than five exhibits.

13 DATED this 24th day of November, 2010.
