Summary of public comments for the transfer of the SCA and associated permits.

1. Veli Kallio, P. E., CH2M Hill, email dated July 25, 2011, recommended approval of the amendment request.
2. Cathy Cleveland, letter dated August 14, 2011, received August 16, 2011. Ms. Cleveland commented on the potential impacts of project air emissions, including particulate matter, to air quality and human health. Ms. Cleveland also commented on the inadequacy of the project environmental impact statement. All Ms. Cleveland's comments are unrelated to this action.
3. Dave Detterman, voice mail message received Friday August 19, 2011 at 7:02 am. The public comment period for this matter closed on Tuesday August 16, 2011. Mr. Detterman lives across Birch Bay from the project site. In his voicemail he expressed concern about potential noise emitted from the project. In addition to the comment being made two days after the end of the public comment period, Mr. Detterman's comment is unrelated to this matter.
