RE: Sagebrush Power Partners, L.L.C.
Kittitas Valley Wind Power Project

Dear Council:

I write to inform the Council that at the request of Sagebrush Power Partners, L.L.C., and its counsel of record, Darrel L. Peeples and Timothy McMahan, I am associating with Peeples and McMahan as counsel for the Applicant. Kindly include me in your distribution list for future transmittals.

You will please find attached to this letter a Motion being brought jointly by Kittitas County and the Applicant for a continuance of the upcoming adjudicatory hearings currently set to start on September 27, 2004. By copy of these materials to James Hurson, Kittitas County Deputy Prosecutor, I am asking that he distribute this attached motion to all parties on the distribution list in this matter.

Based on the foregoing, I respectfully ask that the EFSEC council set a special meeting this week so that the joint motion may be heard. Should you have any questions or concerns regarding this transmittal, please do not hesitate to contact me at your earliest convenience.

Very truly yours,

Erin L. Anderson
