**ENERGY FACILITY SITE  
EVALUATION COUNCIL**

Dear Mr. Posner:

The Port of Vancouver Board of Commissioners approved the appointment of Lawrance Paulson as the Port of Vancouver's nonvoting member to the Energy Facility Site Evaluation Council for the proposed Tesoro Savage Petroleum Terminal LLC. Approval was granted during the September 24, 2013 Board of Commission meeting.

As authorized under Title 80.50 Revised Code of Washington in accordance with its rules codified in Chapter 463 Washington Administrative Code, state law provides for any port district wherein an application for a proposed port facility is filed to appoint a designee as a nonvoting member to the council. The designee shall sit with the council only at such times as the council considers the proposed site for the port district which he or she represents, and the designee shall serve until there has been a final acceptance or rejection of the proposed site.

If you have any questions or need contact information for Mr. Paulson, please contact me at (360) 693-3611.

Sincerely,

A handwritten signature in black ink that reads "Todd M. Coleman".

Todd M. Coleman,  
Chief Executive Officer
