EFSEC Launches Redesigned Website

The Energy Facility Site Evaluation Council (EFSEC) is excited to announce the launch of our redesigned website!

On April 19th, 2019 EFSEC's remodeled website will go live. Our new website features a brand new look, document searching capabilities, is easier to navigate and is mobile device friendly.

EFSEC was established in 1970 to provide "one-stop" siting and permitting for large energy projects. To learn more about EFSEC visit our new website at: www.efsec.wa.gov

If you have any questions or feedback please let us know by emailing EFSEC@utc.wa.gov or calling 360-664-1345.
