13	MR. CAPUTO: Lance Caputo, present.	
14	MS. GRANTHAM: John Barnes.	
15	MR. BARNES: John Barnes, present.	
16	MS. GRANTHAM: And do we have	
17	someone for the counsel for the environment?	
18	With that, Chair, there is a quorum for the	
19	regular Council. Thank you.	
20	CHAIR DREW: Thank you.	
21	You see in front of us the proposed agenda with	
22	one item on it. Hearing if there is any	
23	objection, please let me know that that's the agenda.	
24	Otherwise, we will move right into the topic in front	
25	of us. And we will have an opportunity for public	

253.627.6401

comment before the Council votes on this item. 1 So moving forward, Ms. Hafkemeyer, would you like 2 3 to bring -- discuss the item in front of us on the 4 extension request? Thank you, Chair 5 MS. HAFKEMEYER: Drew. 6 7 In front of you, you'll see the extension -- my apologies. 8 9 In front of you, you will see an extension 10 request from the applicant, extending the decision 11 for the Council's recommendation to the governor to 12 February 22nd, 2023. 13 The reason for this extension is that the 14 deadline for the recommendation to the governor is 60 days after the Council makes its decision on 15 16 expedited process. But looking at the calendar and 17 noticing that the -- that 60-day deadline would 18 actually fall in the -- the first part of January, 19 the -- the applicant and staff have recognized that 20 we will need a little bit more time to complete the 21 following steps for the -- the conditional use permit 2.2 meeting and preparing the Council's recommendation to 23 the governor ahead of that time frame.

24 So the applicant has submitted this extension 25 request to allow for the remaining work to be

253.627.6401

1 completed. Are there any questions to this point? 2 3 CHAIR DREW: Are there any 4 questions from Council members? 5 MR. YOUNG: Yeah. Ami, you said "to complete the following steps." 6 What are "the following steps"? 7 MS. HAFKEMEYER: Of course. 8 So we 9 are required to hold the land-use meeting, which is 10 different from our land-use consistency hearing that 11 was held earlier this year. 12 The following meeting, which was originally 13 scheduled to follow this one but is currently being 14 rescheduled, will seek input from members of the public on criteria akin to what would be heard during 15 16 the County's conditional use permit process to 17 determine whether or not it's appropriate to include 18 any recommendations or requirements of the applicant 19 in a site certification agreement to be consistent 20 with those criteria. 21 The staff must also prepare the documents for the 2.2 recommendation to the governor once the Council has 23 directed staff to do so. And we need a little bit of

time to do that following the land-use meeting.

MR. YOUNG: Thank you.

24

25

1 Any other questions CHAIR DREW: 2 from Council members? 3 At this point, I'd be happy to hear if there are any public comments on this issue. 4 5 Please raise your hand, or -- if you raise your hand, we will give you three minutes to speak. Or 6 let us know in some fashion, either through the chat 7 or by letting us know through your microphone that 8 9 you would like to comment on this topic. 10 I know we have had it on our site, but we didn't 11 have the usual -- it up for the usual amount of time, 12 which is a week, to gather those comments. 13 So, again, is there anyone on this call who would 14 like to make a comment to the Council on this action 15 item? 16 Council members, I'm looking for discussion. Is 17 there discussion that you would like to have before 18 we vote? 19 Speaking for myself, I know that both staff and 20 the public have a lot going on this time of year and 21 heading into the holidays. I think it makes more 2.2 sense not to rush the meeting for considering what 23 the public might want to bring forward as conditions 24 to make sure we meet the intent of the conditional 25 use in the Yakima County Code as we move forward with

1	any conditions, any that have not yet been put		
2	forward by the applicant or through our environmental		
3	SEPA process.		
4	So it seems to me to be better to take a little		
5	more time, make sure the public knows about this		
6	opportunity, and to have that meeting in January,		
7	which does put us beyond the statutory framework of		
8	60 days following the determination of expedited		
9	processing.		
10	All those in favor of well, first, I guess we		
11	have to have a motion in front of us, so let's start		
12	with that.		
13	Is there a motion to approve the request for		
14	extension?		
15	MR. YOUNG: Lenny Young. So moved.		
16	CHAIR DREW: Thank you.		
17	Second?		
18	MS. KELLY: Kate Kelly. Second.		
19	CHAIR DREW: Thank you.		
20	All those in favor of this motion, please say		
21	"aye."		
22	MULTIPLE SPEAKERS: Aye.		
23	CHAIR DREW: Opposed?		
24	Motion is carried. And the extension is granted.		
25	Thank you. I don't the special meeting will
