SUBJECT: Energy Facility Site Evaluation Council Member Participation in Siting Process

This letter is to advise you that on February 8, 2021 Washington State Energy Facility Site Evaluation Council (EFSEC) received an application to site a renewable energy facility in Benton County. Under RCW 80.50.030(3)(b)(1) your agency may choose to participate as an EFSEC member for the proposed Horse Heaven Wind Farm, a Wind, solar array and optional battery storage facility. To participate as a member of EFSEC, your department should notify EFSEC of its designee no later than March 17, 2021.

To learn more about the project please visit the EFSEC web site at www.efsec.wa.gov or you may call me at 360-704-0196.
