This is an amendment to the existing agreement among the Department of Defense (DoD), acting through the Military Aviation and Installation Assurance Siting Clearinghouse, the Department of the Air Force (DAF), acting through the Deputy Assistant Secretary of the Air Force for Installations, and Horse Heaven Wind Farm, LLC (Project Owner), executed November 10, 2020, (hereinafter, “the original agreement”). Together, these three entities are referred to as “parties” and individually as a “party.” In this amendment, DoD does not include the United States Army Corps of Engineers when engaged in its civil works program, including any permitting actions.

This amendment to the original agreement is entered into pursuant to Section 183a of Title 10, United States Code; Part 211 of Title 32, Code of Federal Regulations; and Section 10.A of the original agreement.
