RE: Pending Order Ruling on Pending Motions to Stay / Continue Adjudication

Dear Parties,

In my letter of May 19, 2023, following receipt of three motions from Benton County, the Yakama Nation, and Tri-Cities C.A.R.E.S. seeking to either stay the adjudication or continue the adjudication deadlines established at the third prehearing conference, I indicated my expectation to rule on all of these motions on or before Friday, June 2, 2023.

Due to some technical difficulties, I am not quite ready this afternoon to issue my order ruling on these motions. I apologize for this short delay. I will be working diligently in the next few days to complete this order and now expect to issue it next Monday, June 5, 2023. The order will be issued without oral argument.

Sincerely,

Adam Torem
Administrative Law Judge
