BEFORE THE STATE OF WASHINGTON
ENERGY FACILITY SITE EVALUATION COUNCIL

In the Matter of the Application of:

Scout Clean Energy, LLC, for
Horse Heaven Wind Farm, LLC,
Applicant

Docket No. EF-210011

DECLARATION OF SHONA VOELCKERS
IN SUPPORT OF REPLY IN SUPPORT OF
JOINT MOTION TO STRIKE APPLICANT’S
DIRECT TESTIMONY

I, Shona Voelckers, declare as follows:

1. I am over eighteen years of age and I am competent to make this declaration based on my personal knowledge.

2. I represent the Confederated Tribes and Bands of the Yakama Nation (“Yakama Nation”) in the above-captioned proceeding.

3. All witnesses who submitted direct testimony on Yakama Nation’s behalf in the above-captioned proceedings are Yakama Nation Tribal Councilmembers or staff members, and therefore observe Yakama Nation holidays. Yakama Nation’s witnesses and legal team were on holiday leave June 9 and/or June 12, 2023 in observance of Yakama Nation’s annual Treaty Day celebration.

4. I personally met with each witness who submitted direct testimony ahead of Yakama Nation’s Treaty Day holiday to ensure that the witnesses understood the oath that they were signing as part of their individual testimony. These meetings took a significant amount

1 of time that would not have been necessary if I had signed on behalf of the witnesses. These
2 meetings took time from the rest of my workload as well as time that could have been used on
3 meeting the multiple formatting and redaction requirements of Judge Torem's procedural
4 orders, time that I then spent over the Treaty Day holiday in order to ensure that Yakama
5 Nation's direct testimony was submitted by the June 12, 2023 5:00pm deadline.

6 5. When finalizing Yakama Nation's direct testimony for filing on June 12, 2023, I
7 spent significant time re-formatting the exhibits in order to get them to shareable .pdf file sizes
8 for electronic filing and service.

9 6. After filing Yakama Nation's direct testimony, I discovered that one EXH-4003
10 was filed with one error in redactions of Confidential Information. I promptly filed corrected
11 versions of EXH-4003 with the corrected redactions and no substantive changes to the exhibit.
12

13 I declare under penalty of perjury that, to the best of my knowledge, the foregoing is
14 true and correct.

15 Signed this 21st day of June, 2023.
