Ms. Perlmutter:

The applicant's continuing efforts to delay and impede discovery are entirely inconsistent with the Examiner's orders and determinations, as well as the Civil Rules on discovery, CR 26-37.

We are cognizant of the Examiner's rulings and well aware of the "disputed issues for adjudication." If you think during the course of Mr. Kobus deposition that questions are improper, you may exercise your right to object. Regarding the "coordination" of TCC with those of Benton County, please be advised that we are fully following the Examiner's direction and communicating and cooperating with the County.

To date, we have attempted to engage in informal means of settlement of discovery issues as provided in PHO#2. However, further delay and unwarranted interference with TCC's right to engage in discovery are entirely inappropriate. If the Applicant continues to refuse to make its project manager Mr. Kobus available for deposition, we will seek orders to compel his attendance and appropriate relief, including additional time for presentation of testimony.

(We have deleted Judge Torem from the email string as he is not a party to these discussions.)

Subject: FW: Deposition of Dave Kobus

Good afternoon, Mr. Aramburu.

I am responding to your email this afternoon to my colleague Tim McMahan, regarding your proposal to take Dave Kobus's deposition next week. We are checking with Mr. Kobus about his availability and we will circle back to you on that shortly.

In the meantime, however, please understand that your extremely broad and vague statement that you intend to ask Mr. Kobus "about the original and amended ASC" is unacceptable as we determine whether to make Mr. Kobus available for deposition. As you know, Judge Torem directed that "the parties' pre-filed testimony shall serve as the chief source of discovering each party's principal positions" and "**any additional discovery must seek only information that is relevant to the approved issues for the adjudication.**" Second Pre-Hearing Conference Order, p. 4 (May 19, 2023). Your representation about the intended scope of Mr. Kobus's deposition clearly falls very wide of Judge Torem's unambiguous instruction. Any questions you plan to ask Mr. Kobus have to be limited to those that are consistent with TCC's role as an intervenor in this case: specifically, "the organization's significant interest in wildlife and ecosystem conservation as well as local decision-making to preserve the community's uniquely picturesque natural landscapes." Mr. Kobus will answer questions on those limited subjects. Moreover, we will not agree to allow Mr. Kobus to respond to any questions regarding land use topics, as Judge Torem affirmatively identified Benton County as the lead for those issues. *Id.*, p. 5

We hope that we can agree to these limitations without the need to involve Judge Torem any more than necessary. Please confirm in writing that you will agree to limit your questions to the areas identified by the judge and we will work with you to get Mr. Kobus's deposition scheduled for next week. Absent your confirmation we do not intend to produce Mr. Kobus voluntarily – but of course we hope that it will not be necessary for us to refuse to produce him or to ask the judge to weigh in.

Additionally, as a housekeeping matter, please note that as we previously advised you, I'll be

working with Tim McMahan and with the rest of the Horse Heaven team as litigation counsel. To that end, I'd appreciate it if you would include me on all correspondence going forward.

We look forward to your agreement to the approach we've outlined. Once we get your confirmation we'll firm up a date and time for Mr. Kobus's deposition.

Many thanks,
