Thank you, Sarah, and all. I would like to clarify that Scout's support is for a 30-day extension is with the assumption that the Council can take this action without additional delay or other unknown impediments. In concurring with this request, Scout wishes to make clear that the TC CARES rationale concerning the Kobus deposition is in dispute, and we do not consider that to be rationale for any extension.

Thank you all for your professionalism in this matter. Have a great holiday weekend. TLM
