BEFORE THE STATE OF WASHINGTON
ENERGY FACILITY SITING EVALUATION COUNCIL

In the Matter of the Application of:

DOCKET NO. EF-210011

Scout Clean Energy, LLC, for
Horse Heaven Wind Farm, LLC,
Applicant.

PRE-FILED TESTIMONY OF TCC
WITNESS JOHN CHRISTENSEN

WITNESS

Q: Please state your name, employer (if relevant) and home address.

A: John Christensen, 39505 South Amon Rd, Kennewick, Wa.

Q Please briefly describe your work experience and qualifications.

A: Life-long farmer in the Horse Heaven Hills.

Q: Please state how long have you lived at this address and why you chose to live here.

A: Three generations of my family have lived at here since 1951. It's a beautiful rural area in the Horse Heaven hills to raise a family.

1 Q: Please describe your opinion on the effect this project will have on property value
2 of your home and other homes in the area.

3
4 A: As a resident of South Kennewick for 76 years I am very concerned about the
5 negative impact this wind farm will have on our community of some 300,000 residents
6
7 This proposal is detrimental to our quality of life, property and home values, and
8 economically unfriendly to our community.

9
10 Q: Please describe your opinion of any other issues or concerns you have about the
11 project.

12
13 A: This area provides more than its share of energy. Wind power is inefficient in the
14 northwest, detrimental to Hydro power production, and unsightly to the community.

15
16 Here are photographs and coordinates of the farmhouse and two parcels owned south
17 of Locust Grove Road. Section 7 is furthest south and very close to proposed tower.
