1 A: I testify because I live on the south rim of Badger Canyon and will have to look at  
2 and feel the turbines 24/7 365.

3  
4 Q: Please state the address of your home and the name of the neighborhood in which  
5 it is located.

6 A: 34704 S. Valley Vista PRSE, Kennewick, WA 99338 in the Tripple Vista area off  
7 Clodfelter.

8  
9 Q: Please state how long you have lived at this address and why you chose to live  
10 here.

11 A: We have lived here for 28 years. We chose this location for the views which this  
12 wind farm will ruin.

13  
14 Q: Please describe your opinion on the effect this project will have on the property  
15 value of your home and other homes in the area.

16 A: think this project will devalue my property by 10's of thousands of dollars as well  
17 as that of my neighbors' properties.

18  
19 Q: Please describe your opinion of any other issues or concerns you have about the  
20 project.

21 A: I am also concerned about the noise, vibration, and blinking lights that 244 500 ft  
22 wind turbines will cause. Also, this area of our state does not need this power, so I  
23 believe this project needs to be put on the west side of the state where they seem to  
24 need it.
