SUBJECT: DATA REQUEST RESPONSE FOR GOOSE PRAIRIE SOLAR

DEAR MS. KIDDER:

OneEnergy has prepared the attached response to Data Request 1 received on March 29, 2021. Please note there are a couple items still outstanding, including a response to SEP-8 and further information for SEP-7.

The responses included here will result in some changes to the Application for Site Certificate. Based on correspondence with Kyle Overton, OneEnergy will wait to provide a revised ASC until all changes are identified.

Please let me know if you have any questions.

Sincerely,
