Subject: C.E.A.S.E. citizens educated about solar energy

External Email

Ms. Drew, Please answer the following questions;

1. Has any solar corporation filed application for a solar site in Klickitat county ? name or names ?
2. Has any solar projects been approved in Kittitas county ? name or names ?
3. Has any solar projects been applied for or approved in the state ? names ?
4. When a application is submitted for a solar project, how long does it take to be permitted ?
5. What requirements need to be met before a solar projects get permitted ?
6. What is the cost of the application ?
7. Once a solar facility is permitted by EFSEC who or what agency or agencies oversees the project ?
8. Is it inspected by LNI ?
9. Does EFSEC ensure that when a solar project is decommissioned that it will be cleaned up to federal and state laws by the solar corporation ?
10. Does the state have laws governing clean up specific to solar ?

Thank you, Greg Wagner
