

Comment #0019
Badger Mountain Project
Docket #210747

From: [Brenda Dunn](#)
To: [EFSEC \(UTC\)](#)
Subject: Opposition to Solar Development on Badger Mountain
Date: Wednesday, November 17, 2021 11:21:49 AM

External Email

I am writing to voice my opposition the proposed 2,200 acres solar development on Badger Mountain, WA. This development would negatively impact the local sage grouse population. We do not need this solar development project. We do need to protect the wildlife species in our region.
