Dear Ms. Bumpus,

This letter confirms the February 8th, 2022 telephone conversation between you and the Avangrid team, during which you discussed preparation of an Environmental Impact Statement ("EIS") for the Badger Mountain Solar energy project. We understand that EFSEC will issue a Determination of Significance and a scoping notice to initiate the EIS process in accordance with WAC 197-11-360 and -980.

Yours Sincerely,

A handwritten signature in blue ink that reads "Michael DeRuyter".
