Hello,

I have received this Project Information (Proposed Hop Hill Solar Project by HOHI bn, LLC)(WA EFSE Council)(letter). Is this project on city property? Will there be a IDP and a Cultural Resources Assessment completed? If so, please provide this as soon as its completed. Also, a DAHP review should be through the State WISAARD database and please provide that information when available.

I appreciate your coordination.

Thank you, náxʷtqʷul'as (thank you)
