Good Morning Ms. Bumpus,

Thank you for providing the Lower Elwha Klallam EFSEC 's plans to engage the Lower Elwha Klallam Tribe in Tribal consultation on the solar energy development near the town of Prosser, Washington in Benton County. On this project the Lower Elwha Klallam Tribe must defer to the principal Tribe for this location The Confederated Bands and Tribes of the Yakama Nation. I noticed from your letter that you referred to me as Chairman Bill White this is incorrect. I am the Lower Elwha Klallam Tribe's Archaeologist/THPO. The Lower Elwha Klallam Tribe is located on its ancestral lands along the southern shores of the Strait of Juan de Fuca in Washington State near the city of Port Angeles. Thank you again for your interest in engaging in Tribal Consultation under section 106 of the National Historic Preservation Act (NHPA). Are you by chance related to a Mike Bumpus of Columbia Basin College?
