Thank you for contacting the **Washington Energy Facility Site Evaluation Council (EFSEC)**, if you are attempting to provide comments or input on an energy project this is the incorrect email address. To ensure your comment is received and added to the appropriate EFSEC project record, please send your comments to comments@efsec.wa.gov.

For emailing questions to EFSEC, please email: efsec@efsec.wa.gov.

Kind regards,
EFSEC

External Email

Ms. Drew and EFSEC members, EFSEC has failed to give adequate Due Notice to the citizens of Klickitat County of the June 9, 2023, Carriger meeting. To post on the EFSEC site and send out emails to a few registered citizens only 6 days in advance is inadequate. Many citizens have been excluded. The required informational postings in local papers, at the local libraries etc. were not complied with. This prevents many concerned Klickitat County citizens from participating in this meeting denying them of their Due Process. EFSEC failed to post on the EFSEC website the extension request document filed by Cypress Creek Renewables for the Carriger solar project. This failure denies the citizens of an opportunity to review the document prior to the meeting. This violates RCW 42.30 OPMA. It appears EFSEC is biased in favor of Cypress Creek Renewables violating RCW 42.36. In light of these failures and violations this meeting should be cancelled until all requirements are met. No extension should be granted at this time.

Place this complaint on the Carriger record. This is my comment for the June 9, 2023, meeting. Respectfully, Greg Wagner C.E.A.S.E.
