**RE: Request for extension of Land Use Hearing for the Proposed Carriger Solar Facility**

Dear Commissioners,

We are in receipt of your letter dated April 11, 2023 requesting an extension of an additional 3-weeks to hold our Land Use Hearing for the Proposed Carriger Solar Facility. The letter stated that “Klickitat County is preparing documents to address land use consistency and other impacts the project may have on Klickitat County.” After checking on availability of the Council members and the Administrative Law Judge, it was determined that we can accommodate your request.

Pending final confirmation of details, the Land Use Hearing is tentatively scheduled to be held virtually on May 16, 2023. Once final details are available, we will notice the Hearing in accordance with the applicable rules. If you have not yet done so, I encourage you to please sign up for the project mailing list to be notified of any project activity including relevant meeting notices.

Sincerely,

Amí Hafkemeyer  
EFSEC Director of Siting and Compliance

Cc: Sonia Bumpus, EFSEC Director  
Joanne Snarski, EFSEC Siting Specialist
